

Who We Are

Orphans of the Storm is located in Armstrong County. We were established in 1969 to provide temporary shelter for unwanted and abused animals. We match lovable animals with loving forever homes, educate the public on humane, responsible care of all animals, and promote spaying and neutering to reduce companion animal overpopulation. Orphans of the Storm is a no-kill animal shelter. This means we euthanize an animal only if it is suffering with no hope to be cured, or if the animal is a danger to people or other animals.

Adopt A Friend!

Visit our website to see the many wonderful animals waiting for homes. We want you to find the perfect pet for your family. To be sure the adoption is a good match, our procedure is:

- All family members must visit & meet the pet to be adopted.
- The new family signs a pre-adoption questionnaire & agreement.
- There is a two- to four- day waiting period while we review/verify the adoption agreement & references.
- The pet is prepared for his/her new home. They are spayed or neutered (if not already done); updated on vaccinations including an eight-way distemper shot, Bordatella and rabies. The pets are also started on heartworm and flea and tick prevention.

All adopted pets receive microchips for identification in case they are lost.

DOGS are heartworm tested, stool checked; and wormed, if needed.

CATS have a four-way vaccination, stool checked, and wormed if needed; if over 12 weeks old they also receive a rabies vaccination. All are leukemia & combo tested and started on flea prevention.

To help defray these costs, there is an adoption fee for the pets adopted from our shelter.

Volunteer!

Our animals need you! Whatever your talent or skill, you can make a difference for a homeless pet!

- Walk, groom, spend time with the shelter's dogs.
- Spend quality time with the cats.
- Provide a temporary foster home for dogs & puppies, cats & kittens **DESPERATELY NEEDED!**
- Volunteer with our Pittsburgh Mills PetSmart felines.
- Take photos or videos of our animals to add to pets' Petfinder listings.
- Volunteer at offsite events (fund raisers, pet adoption days, etc.).
- Help with general shelter maintenance.
- Make follow-up calls for adopted animals.
- Prepare newspapers for cage use (may be done offsite).
- Donate items from our wish list.
- Donate aluminum cans.
- Refer people to Orphans of the Storm.

PLEASE NOTE: Volunteers must be 16 years old. Those younger than 18 must always volunteer with a trained adult. Those needing volunteer hours for community service need to contact the shelter directly at 724.548.4520.

If you are interested in volunteering please call us.

Low-Cost Spay & Neuter Program!

Every year, 2.4 million healthy, adoptable animals — or one every 13 seconds — are euthanized in American shelters for lack of homes. You can help reduce the pet overpopulation problem by taking advantage of our spay and neuter program, and encouraging others to do so. And your pet will be much healthier when altered. Contact us for details!

Support!

We depend on generous animal lovers, like you, so that we can provide our life-saving services of helping homeless orphans.

Your tax-deductible donation to Orphans of the Storm will help us save many more homeless cats, dogs, kittens and puppies — and help them find loving forever homes!

I would like my tax-deductible contribution to go to:

\$ _____ Hope Fund for animals' medical care.

\$ _____ Spay/neuter fund to reduce the pet overpopulation problem.

\$ _____ Food, bedding, general shelter pet care.

\$ _____ Building Fund to help build a new shelter.

Please indicate if you would like to make your donation in memory or in honor of a special person or pet.
